

PossAbilities

One to one service directed by you

What can Individualized Home Supports and Respite do for you?

- ✓ *You or your loved one with a disability can stay in your own home*
- ✓ *Family members can get paid to provide care OR
You can hire a support worker*
- ✓ *PossAbilities will manage payroll and required trainings*
- ✓ *When enrolled in the program, you or your loved one can get support;
Fulfilling daily living needs
Engaging in the community
Gaining independence
And receiving relief from care giving as needed*

What you can expect as a support worker?

Meaningful career

Flexible work schedule

Ability to work independently

Hands on, person-centered training

Why should you work with PossAbilities?

We are easy to access because we are local

We understand the needs of our rural communities

We recognize everyone is individualistic
