COMBINED SCREENER & APPLICATION FORM
Revised 12/27/23

What is WRAP+? WRAP+ is a grant-funded reentry program that assists persons who have been involved with the criminal justice system to help them avoid further involvement in the criminal justice system. WRAP+ provides a case manager who can help people develop a plan and access resources and supports so they can live successfully in the community as well as money to pay for certain expenses that are a part of a person’s case plan. Some of the common things that a re-entry program can assist people with include housing, health insurance, chemical dependency and mental health assessment and treatment, transportation and getting ID cards and birth certificates. Participation in WRAP+ is voluntary.
