Titled: 'program volunteer application – (NAME)'

Once the background check has been completed and approved, and you have received your orientation training, your name will be added to the approved roster for volunteers or service providers. You cannot enter the facility without your name being on this approved list and until you have received your orientation. Your approved security clearance may expire after one year of inactivity and may require renewal by submitting a new application. If any information changed throughout the year, volunteers are required to immediately report those changes. This includes notification to the facility of any new criminal charges or active warrants. You are subject to a status review, and new background check every year. At the culmination of the application and orientation processes, you will be required to sign a statement indicating that you understand the training that you have received, along with a liability notice and release.
